INSURANCE

It is the patient's responsibility to provide the most current insurance information available. In the event that we are provided with incorrect insurance information, the patient will be responsible for the balance. Any deductible, co-pay or co-insurance required by your insurance will be collected at the time of service. To assist you in filing your own insurance claim, we will provide you with an itemized statement.

We will submit claims to your insurance company on your behalf. You are responsible to ensure that we have a current referral on file, if required by your insurance company. While we have participation agreements with most carriers, you are responsible to know its limitations and reimbursement levels. If we do not participate with your insurance carrier we require payment at the time of service for office visits and procedures.

NO SHOW POLICY

A "no-show" is someone who misses an appointment without cancelling 24 hours in advance. We reserve the right to bill you a \$50 no-show fee.

SURGERY

Any deductible, co-insurance, or out of pocket expenses should be paid in full prior to surgery.

FEES FOR NON-PHYSICIAN SERVICES

Additional form completions are \$15. We follow the State of Georgia's fee schedule for copies of medical records.

After 120 days, unpaid balances including incurred interest, will be turned over to an outside collection company, the undersigned is required to pay all collection fees, including, but not limited to legal/attorney's fees.
